

Driving a foreign-registered car or motorcycle into Singapore?

You need the following to drive into Singapore:

- ✓ A valid Autopass card and LTA's VEP approval email
- ✓ Valid vehicle road tax
- ✓ Valid vehicle certificate of insurance

Have an existing Autopass card?

1. Download the NETS App to scan your Autopass card to confirm that your card has not expired.

Can be downloaded from
Google Play Store or Apple App Store

2. If your **Autopass card is valid**, update vehicle's road tax and insurance validity dates **before your visit** to Singapore, via go.gov.sg/vepds-insureapp or this QR code:

Receive LTA's VEP approval email
if your application is approved

- 💡 **Update LTA after renewing vehicle's road tax and insurance.**

3. If your Autopass card is no longer valid, apply for a new one.

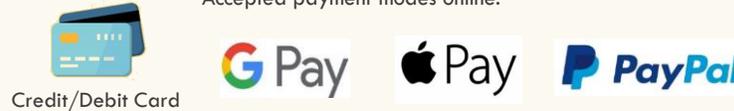

Don't have an Autopass card?

1. Apply online **at least 2 weeks before** you drive into Singapore via go.gov.sg/vepds-vepapp or this QR code:

Receive LTA's VEP approval email
if your application is approved

Accepted payment modes online:

2. Collect your **Autopass Card before entering Singapore** (refer to LTA's VEP approval email for details) and bring along these documents during collection:

1. Your Identity Card or Passport
2. LTA's VEP approval email

3. **Activate your Autopass Card** online before use at go.gov.sg/vepds-cardactivate

- 💡 **LTA's VEP Approval is valid up to vehicle's road tax, insurance, or Autopass card expiry date, whichever is earlier.**

Use the VEP Calculator to estimate applicable fees and charges for your trip.

! IMPORTANT

- Vehicles without a valid Autopass card, road tax, insurance and LTA's VEP approval email would not be able to enter Singapore.
- Your Autopass Card is non-transferable. It is an **offence** to misuse an Autopass Card issued to another vehicle.
- Avoid fines of up to \$1,000 by paying all fees and charges before leaving Singapore and by using the Autopass Card for your vehicle.
