### IMPORTANT NOTES

1. The vehicle number plates of Revised Off-Peak Car / Off-Peak Car / Weekend Car / Classic Vehicle / Pulau Ubin Vehicle / Revised Vintage Vehicle / Vintage (Restricted) Vehicle must be sealed at an authorised inspection centre. Failure to do so is an offence under the Road Traffic Act.
2. Vehicle owners must seek prior approval from the Land Transport Authority (LTA) to break the number plate seal(s) and re-seal the number plate(s) of their vehicles. Approval to break and reseal the vehicle number plate seal(s) does not constitute approval to replace, add or remove a vehicle's component(s) or system(s). Some modifications require LTA's separate assessment/approval and inspection of the vehicle at an authorised inspection centre. Please refer to [onemotoring.lta.gov.sg](https://onemotoring.lta.gov.sg) > Owning > Vehicle Technologies and Modifications for more information on vehicle modifications.
3. Vehicle owners must ensure that the number plate(s) of their vehicles is/are re-sealed at any of the authorised inspection centres before the expiry of the approval granted by the LTA.
4. If more time is required for the repair work, the vehicle owner/authorised applicant must provide justifications and supporting documents from the repair workshop and apply to LTA for extension of the approval. The application for extension should also be done before the expiry of the approval granted by the LTA.
5. If no breaking of the seal is necessary or carried out after LTA's approval had been granted, the vehicle owner/authorised applicant must furnish a letter (before the expiry of approved period) to LTA to withdraw the approval.
6. **Consent for collection, use and disclosure of personal data:** You consent to us collecting from and/or disclosing to any other Government agency or public authority, and/or using, your personally identifiable data, including those that you have provided in this application, so as to serve you in an efficient and effective way.
