Dear Sir/Madam

**VEHICULAR EMISSIONS SCHEME TO BE EXTENDED BY ONE YEAR TO  
31 DECEMBER 2020**

The existing Vehicular Emissions Scheme (VES) for newly registered cars and taxis as well as imported used cars, which is effective until 31 December 2019, will be extended by one year to 31 December 2020. There will be no change to the scheme during the extension.

2. The emission factor used to account for the CO<sub>2</sub> emissions produced by electricity generation from fossil fuels will remain unchanged at 0.4g CO<sub>2</sub>/Wh of electricity for the duration of the extension.

3. LTA will review the fixed emission factor again when the VES expires on 31 December 2020.

4. Please inform your members of the above. Should you have any enquiry or require any assistance on the matter, you may contact Mr Mervyn Wong on 6553 5448 or Mr Han Hang Kwang on 6553 5263.

5. Thank you.

Yours sincerely
