Dear Sir/Madam

Measures to Assist Owners of Diesel and Diesel-Hybrid Vehicles Cushion the Impact of Increased Diesel Duty – Completion of System Changes

I refer to our press release and circular (Ref: VRL/03/2019) dated 18 February 2019 on the offset measures to assist owners of diesel and diesel-hybrid vehicles.

The LTA has completed the necessary system changes to incorporate the revised special tax and road tax rates for affected diesel and diesel-hybrid vehicles. To implement the system changes, the LTALink system will be **unavailable on 23 June 2019 (Sunday) from 12am to 8am.**

From 23 June 2019, vehicle owners will be able to pay special tax and road tax for their diesel and diesel-hybrid vehicles based on the revised rates. For diesel and diesel-hybrid vehicles registered on or after 23 June 2019 (including ‘Save-as-Draft’ registration records created before 23 June 2019 but registration is confirmed on or after 23 June 2019), the special tax and road tax will also be computed based on the revised rates.

Excess Special Tax and Road Tax Paid

Prior to 23 June 2019, some vehicle owners would have paid for special tax and road tax beyond their respective policy commencement date (i.e., 18 February 2019 for diesel and diesel-hybrid cars and taxis, and 1 August 2019 for eligible diesel and diesel-hybrid buses and goods vehicles) based on the current rates. Any excess special tax and road tax paid will be automatically used to offset the road tax payable at the next renewal. If the vehicle is permanently transferred before the next road tax renewal, any excess amount paid will be used to offset the transfer fee payable, and any remaining excess amount paid will be transferred along with the vehicle to the new registered owner.

Vehicle owners may enquire on any excess road tax paid via www.onemotoring.com.sg (Digital Services > Enquire Road Tax Payable/Prerequisite(s) To Fulfil) from 23 June 2019.

Please bring the contents of this circular to the attention of your members and staff accordingly. For enquiries, please contact our Customer Service hotline at 1800-CALL LTA (1800-2255582). Thank you.

Yours faithfully

Candice Yeo (Ms)
