2. The total amount of rebates for motorcycles are as shown in the table below.

Type of Vehicle Using Petrol	Amount of Rebates
Motorcycles	60% road tax rebate for one year ¹ ; and Additional PDR of \$80 for individual owners of motorcycles registered as at the close of 16 February 2021 with engine capacity of 200cc and below, and \$50 for individual owners of motorcycles registered as at the close of 16 February 2021 with engine capacity of 201 – 400cc

3. Individual owners of registered petrol and petrol-hybrid motorcycles/scooters of up to 400cc as at the close of 16 February 2021 (i.e. 0000 hrs of 17 February 2021) will receive the additional PDR. LTA will disburse the additional PDR to eligible individual owners of petrol and petrol-hybrid motorcycles with engine capacity of up to 400cc progressively from mid-May, through GIRO or PayNow (NRIC). No application is required. Owners will be notified via SMS when the additional PDR has been credited to their bank accounts.

5. Individual motorcycle owners who wish to receive the additional PDR via GIRO should ensure that they update their bank account details on LTA's website at go.gov.sg/ltaupdate (or via the attached QR code) by 15 May 2021.

6. Please bring the contents of this circular to the attention of your members and staff accordingly. For enquiries, please contact us via www.lta.gov.sg/feedback. Thank you.
