Dear Sir/Madam

**Reminder on the implementation of the Commercial Vehicle Emissions Scheme and Enhanced Early Turnover Scheme**

Please refer to our circular no. VRL/07/2020 of 6 March 2020 on the implementation of the new Commercial Vehicle Emissions Scheme (CVES) and the enhanced Early Turnover Scheme (ETS) from 1 April 2021 (enclosed for reference).

The current ETS will end on 31 March 2021. To qualify for the current ETS, an eligible existing vehicle must be deregistered by 31 March 2021 and its replacement vehicle must be registered within 1 month from the deregistration date. For example, if an eligible existing vehicle is deregistered on 31 March 2021, its replacement vehicle must be registered by 30 April 2021 to qualify for the current ETS.

For more details on the new CVES, please visit the OneMotoring portal at [onemotoring.lta.gov.sg](http://onemotoring.lta.gov.sg) > *Buying* > *Upfront Vehicle Costs* > *Vehicle Tax Structure* > *Select your vehicle types (i.e. Goods Vehicle or Bus)*, and scroll down to the sections “*Emission Incentive or Surcharge*” and “*Commercial Vehicle Emissions Scheme (CVES) for Light Goods Vehicles Registered From 1 April 2021 to 31 March 2023*”.

For more details on both the current and enhanced ETS, please visit the OneMotoring portal at [onemotoring.lta.gov.sg](http://onemotoring.lta.gov.sg) > *Buying* > *Vehicle Types and Registration* > *Commercial Vehicle* > *Early Turnover Scheme*. Vehicle owners can continue to use the existing Digital Service at [onemotoring.lta.gov.sg](http://onemotoring.lta.gov.sg) > *Digital Services* > *Buying* > *Enquire Discounted PQP Payable for Early Turnover Scheme* for more information on the discounted PQP payable for a replacement vehicle under the current ETS. The Digital Service is currently being updated to reflect the enhanced ETS.

Please bring the contents of this circular to the attention of your members and staff accordingly. Thank you.

Yours faithfully

Cheryl Tan (Ms)
