Dear Sir / Madam

Fee Revision for Vehicle-Related Services

LTA will be increasing the fees for some services with effect from **19 December 2022**. Please refer to Annex A for the list of services with adjusted fees.

These fees have remained unchanged since 2017, or earlier. The fee adjustments are necessary to cover the rising administrative costs of providing these services to vehicle owners/users.

Please bring the contents of this circular to the attention of your members and staff accordingly. Thank you.

Yours faithfully

Candice Yeo (Ms)
Deputy Director
