Dear Sir/Madam

**Singpass to replace NRIC/FIN/UEN for Access to “Enquire/Revise COE Bid” Digital Services at LTA’s OneMotoring Website**

1. Currently, bidders of Certificate of Entitlement (COE) can access the ‘Enquire/Revise COE Bid’ digital services on LTA’s OneMotoring website using their NRIC/FIN/UEN numbers to enquire or revise their bids. For enhanced security, we will replace access using NRIC/FIN/UEN numbers with Singpass.
2. With effect from the November 2024 first COE bidding exercise, COE bidders will need to login using their Singpass to enquire or revise their COE bids through the ‘Enquire/Revise COE Bid’ digital services on the LTA’s OneMotoring website. For bid revisions, the Acknowledgement Code will continue to be required to ensure that the bid revisions are authorised.
3. COE bidders are encouraged to submit and/or revise your bids early to ensure that the bids are accepted by the system before the bidding exercises close.
4. For more information on COE bidding, please refer to [onemotoring.lta.gov.sg](https://onemotoring.lta.gov.sg) > Buying > Upfront Vehicle Costs > Certificate of Entitlement (COE).
5. Please inform your members of the above. Thank you.

Yours sincerely

Ray Lim Tiak Hee (Mr)  
Deputy Director, VRL Project Development  
Vehicle Services Group
