Dear Sir / Madam

**Maximum Power Output (MPO) information requirement for Electric Vehicles (EVs) with more than one electric traction motor**

1. Please be reminded that the vehicle approval applications of EVs with more than one electric traction motor must contain the relevant MPO information of each individual motor before being submitted into LTA's Vehicle Inspection and Type Approval System (VITAS). Otherwise, the application would not be approved.
2. Kindly inform your members of the above. Should you have any enquiries or require any assistance, you may contact Mr Han Hang Kwang on DID: 6553 5263 or Mr Neo Aik Hing on DID: 6553 5700 (for batch approval applications); or Mr Garlice Kwek on DID: 6553 5164 (for type approval applications).
3. Thank you.

Yours sincerely

Chen Xianxi  
Deputy Director  
Vehicle Approval & Control Division  
Vehicle Services Group
