Dear Sir / Madam

Invitation to Provide Feedback on Proposed Authorised Exporter Scheme (AES)

The Land Transport Authority (LTA) is seeking feedback on a proposed Authorised Exporter Scheme (AES) as part of our ongoing review of the deregistered vehicle export process.

The proposed AES is being studied to strengthen accountability and safeguards in the export process, including clearer responsibilities by parties involved in handling deregistered vehicles.

LTA invites industry stakeholders and interested parties to review the proposal and share their views, so that we can better understand operational considerations and potential impacts, and take these into account in shaping the scheme's details.

Please scan the QR code below to view the full AES proposal on LTA's OneMotoring website and submit your feedback via the online form available on the webpage.

Thank you.

Yours sincerely
