Introduction

This digital service allows you to apply to deregister a PARF-eligible vehicle under temporary ownership and for the grant of PARF / COE rebate (if applicable).

Once you deregister the vehicle, it cannot be used in Singapore.

Please ensure that the vehicle is not under financing when you are deregistering it. Any road tax arrears or outstanding payments to LTA will be collected during the deregistration transaction.

What you need

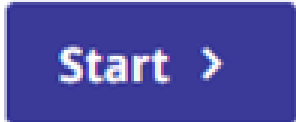

- Vehicle no.

Payment method (if applicable)

All payments will be processed via **FAST** using your designated GIRO Direct Debit Authorisation (DDA) account with LTA.

Deregistration and granting of PARF/COE rebates may take longer due to financing checks.

The screenshot shows the 'Deregister Temp Transfer Vehicle' page on the LTA Link website. A modal window titled 'Vehicle is under financing' is displayed, warning that the vehicle (SLK) is currently under financing and cannot be deregistered. The modal text states: 'If you continue with this application, we will notify your finance company. Please settle your financing with the finance company within the next 8 days. Otherwise, any application on the deregistration and any applicable PARF / COE rebates may be delayed by up to 2 months. Once you have settled the financing, you may proceed to apply to deregister your vehicle again.' There is a checked checkbox for 'I acknowledge and accept the conditions above'. The modal has 'Cancel' and 'Confirm' buttons. The background page shows a '1 Add vehicle' step, a 'Gov call' warning, and a 'Next >' button. The footer includes 'LTALink by Land Transport Authority', 'Contact us', 'Feedback', and social media icons for Facebook, Instagram, TikTok, X, Telegram, WhatsApp, YouTube, and LinkedIn.
