Declaration

- In the event an applicant is unable to submit his application electronically, LTA may, at the applicant's request, provide a scanning service of documents from hard copy to electronic copy. All information submitted to LTA including the correct details of the vehicle, registered owner and any other information as may be required, whether submitted in hard or electronic copy, shall be treated as the final correct and true copy. No changes to the information as provided to LTA shall be allowed.
- All information and data supplied in this submission are true and correct.
- The original copy of all certifications, invoices, and any other documents attached in this submission shall be readily available for verification by the Authority upon request.
- Upon approval of the vehicle make and model, all subsequent vehicles to be sold by my company shall conform to the same standards and specifications as those of the type-approved vehicle. A pre-delivery inspection will be conducted for every such vehicle to ensure that it meets the prevailing roadworthiness standards.
- The In-vehicle Unit, fitted on the front windscreen (where applicable) at the approved location, will be able to communicate with the Electronic Road Pricing facilities without any interference.
- In the event that there are safety-related defects in the vehicles sold by my company, it is the company's duty to notify the Authority and vehicle owners affected, and to recall these vehicles for rectification and to comply with the Road Traffic Act. The Authority shall not be responsible or liable for any claims, liabilities, expenses, costs, losses, or damages of whatever nature arising from or as the result of the safety-related defects in the vehicles, or failure of the company's part to notify the vehicle owners. The Company agrees to at all times indemnify and hold harmless the Authority, its officers, employees and agents ("Indemnified Parties") from and against any and all claims, liabilities, expenses, costs, losses, or damages of whatever nature (including legal costs on a full indemnity basis incurred by the Authority) brought against, suffered or incurred by the Indemnified Parties arising out of or in connection with the safety-related defects in the vehicles sold by the Company.
- All motor vehicles imported by our company in this application do not contain any signal flares. I also understand that the signal flares are controlled items under the Arms & Explosives Act, and it is an offence under Section 13 of the Arms & Explosives Act to possess, import or deal in such controlled item without a licence. Any person found guilty of this offence is liable upon conviction to a fine not exceeding \$5000 and to imprisonment for a term, which may extend to 3 years.
- For motorcycle, every motorcycle is equipped with a battery and an automatic headlamp switch-on feature.
- I have read and agree to be bound by such terms and conditions applicable to the disbursement of the Commercial Vehicle Emissions Scheme ("CVES") incentive (if applicable) set out on <https://go.gov.sg/cves>.
- Please seek approval from LTA before activating any new features or deploying Over-the-Air (OTA) updates that may affect the safe operation of the vehicle and/or change your vehicle specifications in LTA approval records.

This vehicle does not have autonomous driving capabilities (SAE J3016 Level 3 or above). The vehicle also does not contain the necessary software and hardware components to support autonomous driving capabilities and cannot be upgraded post-approval to support such capabilities. ⓘ

This vehicle is equipped with software and / or hardware capable of supporting autonomous driving functions (SAE J3016 Level 3 or above) but such functions remains deactivated at the point of vehicle approval and will not be activated for use in Singapore without LTA's approval. ⓘ

This vehicle is capable of autonomous driving functions (SAE J3016 Level 3 or above). (Please upload supporting documentation specifying the autonomous driving capability level and the relevant technical details). ⓘ

- Please note that the application fee is not refundable.
